lucid sex is to sex as lucid dreaming is to dreaming most people sleepwalk through life never once waking up and much the same is true of their sex life vanilla sex missionary position sex is barely sex at all you need to get your kink on before you can enjoy true sex lucid sex is all about understanding the immensely powerful unconscious forces that impact our sex lives by mastering these via role play ritual bdsm and so on you can find out all about your deep self and not only vastly improve the quality of your sex life but also become a better and much more powerful person in the process you can use kink to achieve jungian individuation what s not to like imagine how much happier you would be if you understood why you search for those particular things on pornhub that so get you going and if your actual sex life reflected what you constantly dream of how do you ask for the sex you really want but are too scared to mention it s time to get lucid sexually and in every other part of your life because they re all connected

in 1990 a new and unusual symbol called the black sun suddenly appeared in german neo nazi circles it was identified with a sunwheel floor inlay said to have been venerated in occult ceremonies during the second world war at wewelsburg castle the secretive personal retreat of nazi security chief reichsführer ss heinrich himmler over the last twenty years the black sun has been transformed into a metaphorical comet blazing in the northern sky particularly among neo nazis with esoteric and occult leanings an internet search of the terms black sun schwarze sonne german sol negro spanish soleil noir french and sol niger latin reveals the extent of its penetration into everyday aspects of far right cultural life the symbol appears on t shirts cd covers flags decorative household knickknacks wristwatches uniform insignia tattoos etc in response to the phenomenal growth of interest in the black sun several previous authors have weighed in on the topic of neo nazi occultism while they have succeeded in producing much needed general reviews each author singularly failed when it came to addressing the mystery of the black sun itself what is the origin of the black sun mythology when was the black sun first identified with the wewelsburg castle sunwheel what do current day neo nazis believe about the black sun why have esoteric beliefs found traction among neo nazis what does the black sun mythology hold for the future of national socialism this groundbreaking study provides answers to all of these questions

preface to full color hardcover edition this book documents the manifestations of the black sun s power in our thoughts our lives and the world at large it is a first written testament of the philosophy symbology sorcery and ideology of kâmûd dûn the shadow path as conceived and practiced at our black sanctum it is the foundational document of borzûm gâzûl the order of the black sun which hereby supersedes and encompasses all other orders

and ideologies propagated previously by the dark lords as the founders of this order we record these thoughts so that others may know why it came into existence and what its terrible truths consist of we offer this book not as idle philosophy or mysticism but as a call to re examine reality and your place within it it comes from the endarkened minds of two who have had close encounters with the black sun s power and returned as darker stranger beings with a message for others for we have walked under the shadow for many years and wish to convey some of what we have learned to those who would follow in our footsteps in a world of shadow blind sleepers may this book awaken a chosen few open their third eyes to the black sun and bring them under its shadow may it inspire them to join the ranks of our invisible empire and leave behind the white sunlit world of illusions forever may the black sun burn a hole in your mind as it has ours giving you the eyes to see a new path and the strength to walk it onward forever into the infinite darkness borzûm râk âm chod black sun power to you kârzathor and ravuk founders and dark lords of the order of the black sun year 8 of the black sun aeon

a big problem of psychology in the tradition of c g jung is that many concepts and orientations are being used by its adherents that are not really compatible with a true psychology because they have their home ground in other orientations it is essential for psychology that its views and concepts are ultimately derived from a rigorous notion of psychology and from the concept of its key metaphor soul this book diligently examines a host of diverse psychological stances and concepts using this insight as its compass

beginning with a thorough elucidation of the unique foundational orientation of jung's psychology as an additional crucial guidepost and then exploring the lasting significance of james hillman's achievement in the field of psychology it goes on to engage with works from psychologists such as robert romanyshyn mark saban and stanton marlan by reviewing the various theses presented examples being that synchronicity could be a gate to meaning that one's anxiety could be a guide to psychological understanding that there are absolutely unassimilable images the emphasis is always on making the necessary distinctions and thereby training the mind in truly psychological thinking this book will be of great interest to the jungian community psychotherapists and psychoanalysts training in jungian theory and practice and those interested in psychological theological and philosophical issues
